

AFFINITY PARTNERS CAN EXPECT A RANGE OF BENEFITS

CANA AND BEACOM WANT TO HELP MEMBERS REDUCE COSTS ASSOCIATED WITH ENERGY

To ensure every facet of a company's energy needs are met, CANA has partnered with Beacom Energy, providing its members a complete suite of energy purchasing, analysis, and planning for their facilities.

Beacom Energy has 20 years of experience in electricity and natural gas purchasing, working with clients to develop a purchasing strategy while reducing the clients' costs and managing their risk tolerance.

Together, all of your energy needs are covered. Additionally...

Members can expect Beacom's support with:

- Saving Money
- Electricity & Natural Gas Purchasing
- Assessing Market Opportunities
- Short- & Long-Term Hedging Strategies
- Bill Auditing & Budget Reporting
- Easy Transitioning of Accounts
- Efficiency Retrofit Planning
- Customized Services
- Energy Operations Analysis
- *ZERO* Up-Front Costs

Beacom Energy has agreed to provide the Cremation Association of North America special discounts for its members who utilize our services. Rest assured, as a CANA Member, you will receive not only our best attention, but the best service in the industry.

Please contact Beacom Energy directly at contact@beacomenergy.com.
